Ian and everyone at Up and Running,

Thank you for your generous donation of \$1,000.00 for the 2019 Story County Blast Back to School Fair. We are so thankful for your support of this event. We are excited that because of your support and that of the community, this event provides school supplies to 1,200 students entering grades K-12 throughout Story County.

This fair is a collaborative effort between several local organizations, churches, healthcare providers, school districts, local businesses and community members. We estimate that through this event, youth and their families receive approximately \$100.00 in basic school supplies, and have access to free sports physicals or various health screenings, and learn about available community resources in a fun and festive celebration of the start of a new school year. The fair is open to any student in the county regardless of need. It is an inspiring day to see friends and neighbors come together and how excited everyone is about school starting.

Thank you again for your donation. Your generosity is very much appreciated. If you would like information about how you and your group can be further be involved in this event, please visit the Volunteer Center website at www.vcstory.org and click on the volunteering link for details and to sign up.

Yours in service,

Anne Owens
Executive Director

2019 Planning Committee Members:
