Dear Ian,

Thank you for supporting our programs through your donation of 205 purple drawstring bags! These bags will be used in our Harrison Barnes Reading Academy: Summer Reading Buddies program and our Super K: Transition to Kindergarten program to transport lending library books from program to home and back. We encourage home reading minutes with our programs. These bags will provide the perfect opportunity for students to easily transport books and their reading logs back and forth each day. Last summer, our Reading Buddies recorded 40,379 minutes of reading over the six weeks of the program! These bags are also used to hold the new books we present at Story County Habitat for Humanity house dedications. RRSC provides a bag of new children's books at each dedication for the family moving into their new home to build their home library.

Thank you for supporting Story County children and our programs and services through your generous gift to Raising Readers in Story County!

Sincerely,

Kim Hanna
Executive Director
Raising Readers in Story County

Thank you!

Dear Ian,

The mission of Raising Readers in Story County is to improve language and literacy development in children from birth to age eight and nurture healthy parent-child relationships. Thank you for your generous donation of 205 purple drawstring bags for programs, including Harrison Barnes Reading Academy: Summer Reading Buddies and Super K: Transition to Kindergarten. 132 children are currently registered for Summer Reading Buddies and between 30 and 40 five-year-olds will be participating in Super K this year.

In compliance with IRS requirements, we acknowledge no goods or services have been provided to you in exchange for your donation.

Sincerely Yours,

Kim Hanna
Executive Director
