Dear Seda and Ian,

Thank you for supporting our Eastwood Storytime program through your sponsorship! Our Storytime program benefits many children from families with low-incomes who live in the Eastwood Apartments in Ames, Iowa. By supporting this program, we are able to bring literacy activities to the school-age children who may not otherwise get to experience this type of program. Twice a month, we provide snacks, craft activities, a group story time, songs, and individual reading opportunities with volunteers who help make this program possible.

Each month, two Storytimes are held at Eastwood, providing enrichment and exposure to new and exciting stories and experiences. Your support will allow this program to continue in the next year, providing services and books to the children who attend, as well as nutritious snacks and fun activities to promote home reading and consistent attendance.

Thank you for supporting Story County children and our programs and services through your generous gift to Raising Readers in Story County!

Sincerely,

Kim Hanna
