Ames, Iowa 50014

Dear Ian,

Thank you for your generous annual recurring donation of \$1,030.00 to the Electronic Frontier Foundation (EFF), which we received on July 07, 2026. Your contribution helps defend privacy, free expression, and innovation for tech users everywhere—and that has never been more important. Internet freedom allows you to navigate the modern world and fight for a better future.

As a token of our appreciation, we'll soon send out your Guardian Combo: Privacy Badger Crewneck, Claw Back T-Shirt, & Metal Member Card in size Classic Fit M, valued at \$99.00.

Find out if your employer will match donations—you could double your impact! Try our online search tool at eff.org/match.

DIVE DEEPER! If you're on our email list, watch for quarterly members' updates on EFF's work. Listen to our How to Fix the Internet series at eff.org/podcast. And learn more ways to support at eff.org/helpout.

Thanks for powering EFF's public interest court work, tech policy analysis, grassroots activism and education, and privacy-enhancing free software. Together, we can ensure that technology supports civil liberties and human rights—online and off.

For your digital freedom,

A handwritten signature in black ink, appearing to read 'Allison Morris', is positioned above the typed name.
