To Ian McKilligan:

Thank you so much for the generous, \$5000 donation to the Gilbert Elementary Makerspace project. We are excited about the additional programming that our Makerspace will be able to offer our students with these funds.

Specifically, we will be adding the following to the Gilbert Elementary Makerspace:

- Design-thinking software
- Coding equipment
- Virtual reality technology

Without these funds, we would not be able to offer students these rich experiences and opportunities. Your donation will allow the students at Gilbert Elementary to truly prepare for the global marketplace while becoming flexible thinkers and problem solvers.

With appreciation,

Staci Edwards
Gilbert Elementary Principal
