Chief Executive Officer

Up and Running Software, Inc.

June 5, 2017

Dear Ian,

On behalf of the Houghton Rotary Club, I would like to thank Up and Running Software for being a major sponsor of the 2017 UP Summer Fest. The contribution of $1,000 helps ensure the success of our largest annual fundraiser and allows the Rotary club to provide critical support to local non-profit and community service focused organizations.

The sponsorship provided by Up and Running Software demonstrates the company's commitment to the ideals of Rotary, a service organization that exists to serve humanity at the both at the local and global level. We appreciate your support!

Sincerely,
