Dear Michael and friends at Up and Running Software,

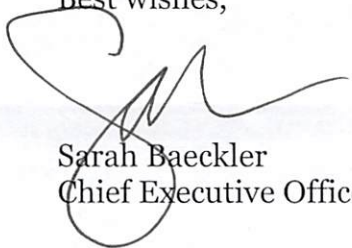

Thank you for your thoughtful gift of \$2,000.00 In the aftermath of Hurricane Ian, our emergency rescue operations are well underway, and your gift will be put to immediate use to help Humane Society Naples lead the recovery efforts throughout the impacted areas.

Hurricane Ian blew through our region with incredible force. What it left in its wake is the unwavering strength of a community that has come together to support those in need. Your generosity is helping our team coordinate the transport of hundreds of animals from the most devastated areas of our state, care for those displaced by the storm, and partner with other organizations to ensure that as many animals as possible are safe, healthy, and on their way to their new homes.

We are so grateful to have you as part of our giving family. The lives of our animals depend on caring, compassionate donors like you. You are helping to fortify our efforts and strengthen our resolve to do as much as we can.

Thank you again for your support during this time of need, and for empowering us to continue saving the lives of our community's animals.

Best wishes,

Sarah Baeckler
Chief Executive Officer

Thank so much!
